CULTURE OF CARE

AWARENESS WEEK

JULY 6-10, 2020

We're celebrating a Culture of CARE!

This week, we celebrate our dedication to jobsites that are free from harassment, hazing and bullying. **We want every employee to reach their full potential by building a culture that is *diverse, safe, welcoming* and *inclusive.***

We value each of you for your unique contributions to this workplace, and for the actions you take each day to help us provide a Culture of CARE for *everyone*. ***THANK YOU!***

Celebrate with us!
