AGC WASHINGTON CHAPTER
THE CONSTRUCTION ASSOCIATION

AGC of Washington's Safety Services Department is the commercial construction industry's recognized leader in jobsite safety.

Our services are designed to ensure that all AGCW member firms have the resources they need to create and maintain safe working environments that exceed industry standards.

SERVICES

► **AGCW SAFETY TEAM®** A workplace safety program that includes regular job site audits and safety-program consultation. Voluntary membership is open to AGC of Washington member companies. Benefits include focused inspections by L&I, industry recognition and safety resources that are tailored to your operations.

► **SAFETY FORUMS** Informal meetings hosted by AGC of Washington for safety professionals to discuss the current safety issues affecting the construction industry, and to monitor developments in Washington State and federal safety regulations. Meetings are held in Seattle, Yakima, Wenatchee and Bellingham, and are open to all AGCW members.

► **HEALTH and SAFETY RESOURCES** AGCW Safety Services maintains a library of Toolbox Talk safety topics — available in both English and Spanish — that are available to meet members' weekly safety-meeting needs.

► **HEALTH and SAFETY TRAINING**
AGCW's Safety Services Department offers training to members on a wide variety of safety and health topics at little or no charge. Training topics include

- safety leadership
- OSHA ten-hour
- hearing conservation
- soft-tissue injury prevention
- tunnel safety
- customized training programs

► **SAFETY AUDITS** An on-site safety audit that will assist your company in complying with the Department of Labor & Industries, Division of Occupational Safety & Health regulations.

► **CONSULTATION** AGCW Safety Department staff are available to provide technical support and assistance in developing and implementing customized safety programs for your company.

► **CRISIS-MANAGEMENT ASSISTANCE** If a safety-related injury or death occurs on a member company's jobsite, AGCW Safety Services staff are available to assist your staff in managing the crisis.

► **PRODUCTS** A variety of AGC safety products are available to members and include a composite poster of federal- and state-required jobsite postings, AGCW Safety Team® banners, stickers and crane log books.
